

WFSC 140 Wildlife at the Movies

Film Review (10 points)

Grading Guidelines

Notes: The audience for this assignment is a public audience who has not seen the film and is deciding if they should, the purpose is to help members of the audience make that decision based on what the writer has learned in this course, the organization and style of this written communication is something appropriate for an online newspaper, magazine, or movie review website. GenAI usage is allowed for some components, but not others (Edits/Improvements and Reflection)

Criteria	Excellent 2 pts	Good 1 pts	Acceptable 0.5 pts	Unsatisfactory 0 pts
Purpose and Audience	The writing clearly and consistently defines its purpose to critique a film for a public, film curious audience	The writing either defines its purpose to critique a film or addresses a public, film curious audience	The writing has a purpose and audience, but neither align with the assignment	Does not have this component in the submission
Ideas and Concepts	Using narrative, description, analysis, critique, and/or synthesis, the writing formulates a knowledgeable perspective with multiple concepts and points of view with at least 2 coming from course material	Using narrative, description, analysis, and/or critique, the writing has a knowledgeable perspective with one main concept or point of view from course material	Using narrative, description, analysis, and/or critique, the writing has a perspective without a defining concept connected to course material	Does not have this component in the submission
Organization and Style	The writing aligns with the target publication's organization and style and uses strong topic sentences and eye catching titles throughout the writing	The writing has some alignment with a film review organization and style with minimal use of topic sentences in paragraphs and an eye catching title	The writing is entirely misaligned with the target publication's organization and style without an eye catching title and topic sentences	Does not have this component in the submission

Edits and Improvements	The writing includes 3 out of the 3 components: factual, personalized voice, and correct GenAI citation	The writing includes 2 out of the 3 components: factual, personalized voice, and correct GenAI citation	The writing includes 1 out of the 3 components: factual, personalized voice, and correct GenAI citation	Does not have this component in the submission
Reflection and Next Steps	The reflection includes 3 out of the 3 components: summary of how the GenAI algorithm did, what the writer improved on and why, and outlines the next steps for further improvement with a personal perspective and emotional depth following the instructions	The reflection includes 2 out of the 3 components: summary of how the GenAI algorithm did, what the writer improved on and why, and outlines the next steps for further improvement with a personal perspective and emotional depth following the instructions	The reflection includes 1 out of the 3 components: summary of how the GenAI algorithm did, what the writer improved on and why, and outlines the next steps for further improvement with a personal perspective and emotional depth following the instructions	Does not have this component in the submission
